Tropical Animal Health and Production

Volume 14 (1982)

Number 1

The effect of imidocarb dipropionate on *Babesia ovis* infection in sheep
S. A. Michael and A. H. El Refaii 1

Theileriosis annulata and its transmission—a review
P. M. Robinson 3

Book Review 12

Antitheilerial activity of the coccidiostat monensin
N. McHardy and D. G. Rae 13

Vaccination with CDF-66 strain of Newcastle disease virus
S. C. Shukla, S. N. Sharma and S. K. Tanwani 15

Pigeon herpes encephalomyelitis virus in Egypt
H. H. Tantawi and F. K. Hassan 20

Some accepted titles awaiting publication 22

Development and survival of nematode larvae on pasture in Calabar, Nigeria
E. D. Okon and A. I. Akinpelu 23

Tuberculosis in sheep in the Sudan
M. H. Tag El Din and I. El Nour Gamaan 26

Naturally acquired immunity to haemorrhagic septicaemia among cattle and buffaloes in Sri Lanka
M. C. L. de Alwis and M. A. Sumanadasa 27

Immune status of buffalo calves exposed to natural infection with haemorrhagic septicaemia
M. C. L. de Alwis 29

Isolation of mycoplasmas from goats in the Sudan
M. M. El Mahi and M. El Nasri 31

Corynebacterial infection of cattle in Kenya
D. P. Kariuki and J. Poulton 33

Pyrexia in response to *Rhipicephalus appendiculatus* infestation in calves
W. Z. Lutu 37

Effects of trienbolone acetate on the growth of tropical cattle and goats
K. N. P. Ranaweera and P. Thangarajah 44

Production characters of the Sahiwal and Ayrshire breeds and their crosses in Kenya
J. C. M. Trail and K. E. Gregory 45

Sperm abnormalities in droughtmaster bulls
T. A. Bongso and M. R. Jainudeen 58

Non-leucotic tumours in domestic fowl in the Punjab
B. C. Deka and Gurdev Singh Grewal 59

Aspects of reproduction in the West African dwarf goat
L. O. Ngere and S. Mbap 61

C.T.V.M. MSc/Diploma Postgraduate Courses 62

Volume 14 (1982)

Number 2

Relationship between ticks and zebu cattle in southern Uganda
M. N. Kaiser, R. W. Sutherst and A. S. Bourne **63**

Anaplasmosis and babesiosis in El Salvador
R. C. Payne and J. M. Scott **75**

Tuberculosis in wildlife in the Ruwenzori National Park, Uganda (Part I)
M. H. Woodford **81**

Isolation of *Salmonella* from meat and meat products in Botswana
I. T. Ndzinge, Mary L. M. Hall and R. G. Mares **89**

Haemorrhagic septicaemia carrier status of cattle and buffaloes in Sri Lanka
T. Hiramune and M. C. L. de Alwis **91**

Mastitis survey in Bolivia
S. Edwards, M. J. Nicholls, F. Vallejos and Georgina Ibata **93**

Precipitating antibody in sera of goats naturally affected with peste des petits ruminants
O. A. Durojaiye **98**

Foot-and-mouth disease typing and serology in Zimbabwe
N. K. Blackburn **101**

Goat pox in the Sudan
K. A. Mohamed, B. E. D. Hago, W. P. Taylor, A. A. Nayil and M. T. Abu-Samra **104**

Some accepted titles awaiting publication **108**

Survey of some poultry viruses in Papua New Guinea
A. Van Kammen **109**

Survey of abattoir data in southern Nigeria
R. E. Antia and D. O. Alonge **119**

Bovine fascioliasis in Nigeria—intercurrent parasitic and bacterial infections
A. Ogunrinade and G. O. Adegoke **121**

Book Review **126**

Volume 14 (1982)

Number 3

Causal agents of bovine theileriosis in southern Africa
G. Uilenberg, N. M. Perié, J. A. Lawrence, A. J. de Vos, R. W. Paling and A. A. M. Spanjer **127**

***Trypanosoma vivax* in Colombia: interpretation of field results**
E. A. Wells, L. E. Ramirez and A. Betancourt **141**

Some accepted titles awaiting publication **150**

Prevalence of cattle ticks in Morocco
H. Ouhelli and V. S. Pandey **151**

Tuberculosis in wildlife in the Ruwenzori National Park, Uganda (Part II)
M. H. Woodford **155**

Use of oxfendazole against natural infestations of *Haemonchus placei*, *Cooperia punctata*, *Cooperia pectinata* and *Oesophagostomum radiatum* in calves
J. P. Fabiyi **161**

Efficacy of fenbendazole against helminth parasites of poultry in Uganda
G. S. Z. Ssenyonga **163**

Prevalence of larval taeniids in goats in Bangladesh
Md. Jahurul Karim, Hefazuddin Shaikh and Md. Mozzammel Huq **166**

Fascioliasis in beef cattle in north-west Argentina
R. H. Dwinger, P. D. Le Riche and G. I. Kühne **167**

Calf rearing in the tropics: growth rates and utilisation of milk substitute diets
D. H. Black **172**

Vaccination against Newcastle disease
U. Chulan, A. Latif Ibrahim, A. Mustaffa Babjee and A. R. Sheikh-Omar **177**

Recognition of pseudocowpox in Nigeria
M. O. Asagba **184**

Foot-and-mouth disease control in the Songwe Valley, Malawi—a review
C. J. Daborn **185**

Semen quality of Yankasa rams
O. A. Osinowo, J. O. Bale and L. O. Eduvie **189**

Book Reviews **190**

Volume 14 (1982)

Number 4

Aphosphorosis in North Yemen cattle
A. G. Hunter and P. J. Heath **191**

Prevalence of helminth parasites of domestic fowl (*Gallus domesticus*) in Uganda
G. S. Z. Ssenyonga **201**

Bovine echinococcosis in the north-west of Argentina
P. D. Le Riche, R. H. Dwinger and G. I. Kühne **205**

An epidemiological study of helminthiasis in cattle in subtropical Argentina
P. D. Le Riche, G. I. Kühne and R. H. Dwinger **207**

Some accepted titles awaiting publication **215**

Use of cassava leaf meal in diets for pigs in the humid tropics
W. S. Alhassan and F. Odoi **216**

Evaluation of sheep breeds for early growth in tropical north-east Brazil
E. A. P. Figueiredo, A. A. Simplicio and K. P. Pant **219**

Fattening of Large White, local Samoan and crossbred pigs
H. M. J. Udo **224**

Epidemiology of sheep pox
L. M. Belwal, A. E. Nivsarkar, P. B. Mathur and R. N. Singh **229**

Effect of imidocarb dipropionate in Brazilian anaplasmosis and babesiosis
J. H. Patarroyo, M. F. Ribeiro and M. I. Vargas **234**

Occurrence and distribution of protozoan parasites in Caribbean livestock—a review
D. A. P. Bundy and C. L. Grey **235**

Use of cerebellar brain smears in the diagnosis of babesiosis (*Babesia bovis*) in cattle
A. Hadani, A. A. Guglielmone, Lola Gonzalez de Rios, A. Bermudez, A. Mangold and S. F. Barnett **242**

Seasonal prevalence of *Rhipicephalus turanicus* on sheep in Morocco
H. Ouhelli, V. S. Pandey, T. Benzaouia and A. Belkasmi **247**

Book Review **248**

Subject Index **249**

Author Index **250**
